

FAST WORKER

Fun is finishing work faster on the Lenovo B550 business notebook with Intel® Core™2 Duo processor technology.

It's designed keeping in mind the needs of growing businesses. The Lenovo® B550 notebook with up to 8GB DDR3 memory allows you to work at a blisteringly fast pace, with faster multi-tasking and more responsive application performance. Powered by Intel® Core™2 Duo processor the Lenovo B550 comes with OneKey™ Rescue System—an easy-to-use tool that helps you to detect and remove viruses, and quickly backup and restore your data. What's more, Lenovo Energy Management ensures you can spend longer away from the mains plug, while Lenovo ReadyComm, provides a single interface to create, manage and share internet connections whether you're in the office, at home or travelling.
