## LENOVO THINKPAD SL300, SL400 AND SL500 NOTEBOOKS

THE ULTIMATE TOOLS FOR YOUR SMALL BUSINESS IDEAS.

### UNCOMPROMISED PERFORMANCE

Perfect combination of mainstream ThinkPad® notebook performance, progressive design and multimedia features with enhanced notebook management and security

### BEST WIRELESS SOLUTIONS

- All ThinkPad SL Series models have up to ABGN Wi-Fi
- All ThinkPad SL Series models are Mobile broadband (integrated AT&T WWAN) ready
- ThinkPad SL Series integrated AT&T WWAN enabled models support HSPA/GSM only
- The unified integrated AT&T WWAN antenna design provides superior performance in connectivity, options and global roaming
- User benefits of built-in integrated AT&T WWAN:
  - Low cost of purchase
  - Increased connectivity options
  - Improved battery life (vs. external integrated AT&T WWAN)
  - 30-day trial access
- Best connectivity supporting integrated AT&T WWAN, WiMAX models (initially starting in the U.S. when available)

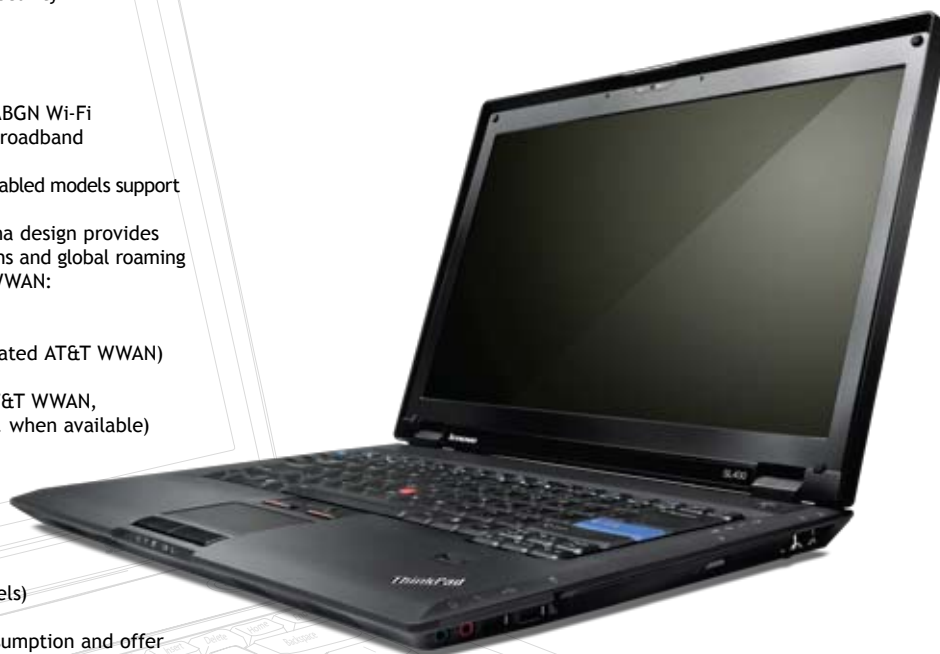

### CUTTING-EDGE TECHNOLOGIES

- HDMI and VGA outputs
- Optional Blu-ray recordable optical
- GPS (integrated AT&T WWAN enabled models)
- Optional Integrated Webcam
- LED-backlight displays to lower power consumption and offer brighter colors for better viewing outdoors or in bright offices (available on ThinkPad SL300 notebook only)
- 4-cell battery (available on ThinkPad SL300 notebook)
- Common ThinkPad 6-cell and 9-cell extended battery on all ThinkPad SL Series models (ThinkPad SL300, SL400 and SL500 notebooks)

### ENVIRONMENTALLY RESPONSIBLE

- EPEAT® Gold rated PC (ThinkPad SL300 notebook only)
- ThinkPad SL400 and SL500 notebooks are EPEAT SILVER rated
- ThinkPad SL300 notebook is one of the industry's first PCs with a GREENGUARD Air Quality certification

**NEW NAMING CONVENTION:** The latest ThinkPad SL Series marks the introduction of a new product-naming convention. The third character of the name refers to the display size of the ThinkPad notebook, making it easier for you to understand the different offerings (e.g., ThinkPad SL300 notebook = 13.3" display, ThinkPad SL400 notebook = 14.1" display and ThinkPad SL500 notebook = 15.4" display). Also, all ThinkPad systems are now transitioning to widescreen offerings and will include a variety of new technology features.

**lenovo**®

Lenovo® recommends Windows Vista® Business.

## THE NEW THINKPAD SL SERIES

EQUIPPED WITH A FULL SUITE OF SERVICES TO ADDRESS SPECIFIC NEEDS FOR SECURITY AND PROTECTION.

Your PC affects two of your greatest assets, the productivity of your employees and your data. With the ThinkPad SL Series, you can choose a suite of services to complement your new PC and enable protection of these assets.

**ThinkPlus® Secure Business** is a security and protection package that provides:

- Onsite warranty upgrade service the next business day to minimize PC downtime
- Online data backup: A user-friendly way to back up valuable business data to a secure, offsite location. Also offers you the peace of mind that comes with knowing your data is safe in case of an unforeseen mishap
- ThinkPad Protection: Provides repair and/or replacement in case of accidental damage from liquid spills, drops, electrical surges or LCD damage. This translates into less downtime and greater productivity. Because we understand that your business PC is your lifeline, we like to do all we can to help you protect your investment
- Other services available on an individual basis include hard disk drive retention and theft protection (available in the U.S. and Canada only)

### MEDIA CAPABILITY

- High-Definition Multimedia Interface (HDMI) provides an interface between any compatible digital audio/video source (such as HDTV, a set-top box, DVD, Blu-ray player or PC) and any compatible audio/video receiver (such as a monitor).
- HDMI supports standard, enhanced and high-definition video, plus multi-channel digital audio on a single cable.
- HDMI supports High-bandwidth Digital Content Protection (HDCP)—a digital copy protection scheme developed by Intel Corporation to protect digital entertainment content when traveling across the HDMI connection.
- ThinkPad SL models offer up to 320GB hard drives for storing movies, photos and music while also providing a 1394 port to connect to external hard drive options.
- Roxio Creator Small Business Edition software, customized for Lenovo, has been included on all models to enable multimedia content creation.

### COOL AND QUIET

Focused air flow design provides cooler systems and balanced temperatures across the system.

Lenovo® recommends Windows Vista® Business.

## THINKPAD SL SERIES GOES GREEN

- EPEAT Gold rating: Select models in each ThinkPad Series (ThinkPad SL300 notebook only) are EPEAT Gold rated. This means that Small and Medium Business (SMB) customers can be more environmentally responsible through the use of these ThinkPad notebooks since they help to save on operating costs through lower power consumption.

- Mercury-free displays
- 25% less energy consumed when compared to previous generation ThinkPad notebooks
- ThinkPad SL400 and SL500 models are EPEAT Silver

Lenovo® recommends Windows Vista® Business.

**DESIGNED TO DO THE UNEXPECTED**

**MAKE AN AMAZING PC EVEN BETTER.**

## THINKPAD SL300/SL400/SL500 NOTEBOOK ACCESSORIES:

THINKPAD SL300/400/500 NOTEBOOK  
2GB PC2-5300 SODIMM MEMORY (40Y7735)  
Lowest-cost method to boost system

**Availability:** All offers subject to availability. Lenovo reserves the right to alter product offerings and specifications at any time without notice. Lenovo is not responsible for photographic or typographic errors.

**Warranty information:** For a copy of applicable product warranties, write to: Warranty Information, P.O. Box 12195, RTP, NC 27709, Attn: Dept. ZPYA/B676. Lenovo makes no representation or warranty regarding third-party products or services.

**Footnotes:** [1] **Mobile processors:** Power management reduces processor speed when in battery mode. [2] **Operating system:** Level of support varies by operating system. Operating systems not preloaded on the system may not provide full feature functionality. Refer to [lenovo.com/pc/support](http://lenovo.com/pc/support) and enter your machine type and model number for more information. [3] **Hard disk drive:** GB=1,000,000,000 bytes. Accessible capacity is less; up to 4GB is service partition. [4] **Models with 4GB memory:** Total accessible memory will be less and will vary depending on the system configuration. Maximum capacity may require purchase of optional component. [5] **11a, 11b, and 11g wireless:** This is based on IEEE 802.11a, 802.11b, and 802.11g respectively. The IEEE 802.11n specification has not been finalized and is currently in draft release. The Lenovo and ThinkPad 11a/b/g/n Wireless Lan Mini-PCI Express Adapters are based on the Draft Release, Version 1.0, of the IEEE 802.11n specification. An adapter with 11a/b, 11a/b/g, or 11a/b/g/n can communicate on any of its supported formats; the actual connection will be based on the access point to which it connects. [6] **The Bluetooth word mark and logos:** These are owned by Bluetooth SIG, Inc. and any use of such marks by Lenovo is under license. [7] **WWAN service providers:** United States - AT&T - 30 day no obligation trial with subscription application, EMEA Vodafone Germany - 30 day trial, Vodafone UK - 30 day trial, SFR (France) - 14 day trial, Telenor Norway - 30 day trial, Telenor Sweden - 30 day trial, Sonofon (Telenor Denmark) - 30 day trial. [8] **Weight:** includes battery and optional travel bezel instead of standard optical drive in Ultrabay drive, if applicable. Weight may vary due to vendor components, manufacturing process and options. [9] **Limited warranty:** Support unrelated to a warranty issue may be subject to additional charges. [10] **Included software:** May differ from its retail version (if available) and may not include user manuals or all program functionality. **The following are trademarks of Lenovo:** Lenovo, the Lenovo logo, Access Connections, Active Protection System, Rescue and Recovery, ThinkPad, ThinkVantage, ThinkPlus, TrackPoint and Ultrabay™.
