Enjoy using the Lenovo ThinkPad® T430u—the thinnest T-series, at 21 millimeter. Designed for the best-in-class performance, the T430u features the 3rd generation Intel® Core™ ultra (ULT) processors and integrated HD4000 graphics.

Keep working all day long with the best battery life of up to 7 hours, without sacrificing performance. Recognized certifications such as ULE Gold, ENERGY STAR, EPEAT® Gold*, EPEAT® Silver and GREENGUARD® for green leadership helps you save more energy and minimize your environmental impact.

Feast your eyes on vibrant, engaging media on the HD display powered by Intel® HD4000 or NVIDIA® GeForce® GT graphics. Experience smoother conversations on internet chat and conferences with HD camera and dual-array HD microphones. Whether you look for thin and light mobility, fast performance, or better media and communication, the T430u is built to deliver all.

*EPEAT Gold: US only
Lenovo® recommends Windows® 7 Professional.

UNBEATABLE PERFORMANCE

- Powerful 3rd generation Intel® Core™ Ultra (ULT) processors
- Better Performance with Genuine Windows® 7 Professional
- Up to 60% graphics performance improvement with Intel® HD 4000 graphics

- Ten times fast data transfer rate means fast performance with USB 3.0 for external devices

ENHANCED MEDIA AND AUDIO

- 14” HD panel with high brightness levels display images clear and smooth with lively colors
- 720p HD camera with face tracking technology and dual-array HD microphones with automatic optimization for flawless video and voice chats
- Conference and private Internet microphone settings provide the best voice clarity on individual chat or group conference
- Dolby® Home Theater® v4 with surround sound and live audio quality for better presentations or entertainment
- Wide-ranging display and data connectivity options including USB 3.0, HDMI, MiniDisplayPort with audio, and 4-in-1 SD card reader

IMPROVED USER EXPERIENCE

- Easy to handle 200 millimeter ultrabook
- Better typing experience with the new precision island-style six-row keyboard
- Easy-to-use multimedia keys for faster access to media audio and video controls

LENOVO SERVICE

Lenovo offers a comprehensive portfolio of award-winning services to support and protect your ThinkPad® investment. Succeed with substance, and let Lenovo’s Service support you all the way.

Priority Technical Support

Makes your priority, our priority. 24x7 priority call routing to advanced-level technicians, electronic incident tracking, and escalation management services.

Warranty Upgrades - Onsite and Next Business Day

Maximizes PC uptime and productivity by providing convenient, fast repair service at your place of business

Warranty Extensions (1 to 5 Years Total Duration)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment, and potentially lower the cost of ownership over time.

Keep Your Drive

Retain your drive if it should happen to fail, giving you the peace of mind to know that your valuable data is secure

Asset Tagging

Systems come equipped with a professional, flexible asset tag based on your exact specifications. PCs are easily identifiable and traceable right out of the box.

RECOMMENDED SERVICES

Accidental Damage Protection

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops, or damage to the integrated screen.

Extended Warranty

2 Year (Total Duration)
